5 reasons why Civica's Education Suite is so powerful

1

We know education

Alongside our 25 years' experience in the sector, all of our solutions are built specifically for today's school needs in collaboration with both large and small schools.

2

You are dealing with one supplier

Civica provides a wide range of solutions for the education sector. Managing just one supplier reduces administration, cuts cost and increases efficiencies

3

Our solution suits your specific needs and offers a quicker return on investment

We work with you to ensure the system meets your specific school or governing body's requirements. Tailored implementation and training ensures rapid user adoption, helping you to achieve results quickly

4

Your data is in safe hands

Hosted to ISO 27001 standards, your data is secure and access is reliable.

5

Our solution can grow with you

Your school or trust can take the full suite or can build the system by incorporating stand-alone modules as and when you need them – easily scaling from a single school installation to a full multi-school solution.
